TRACT 32285 - Plaquemines and St. Bernard Parishes, Louisiana

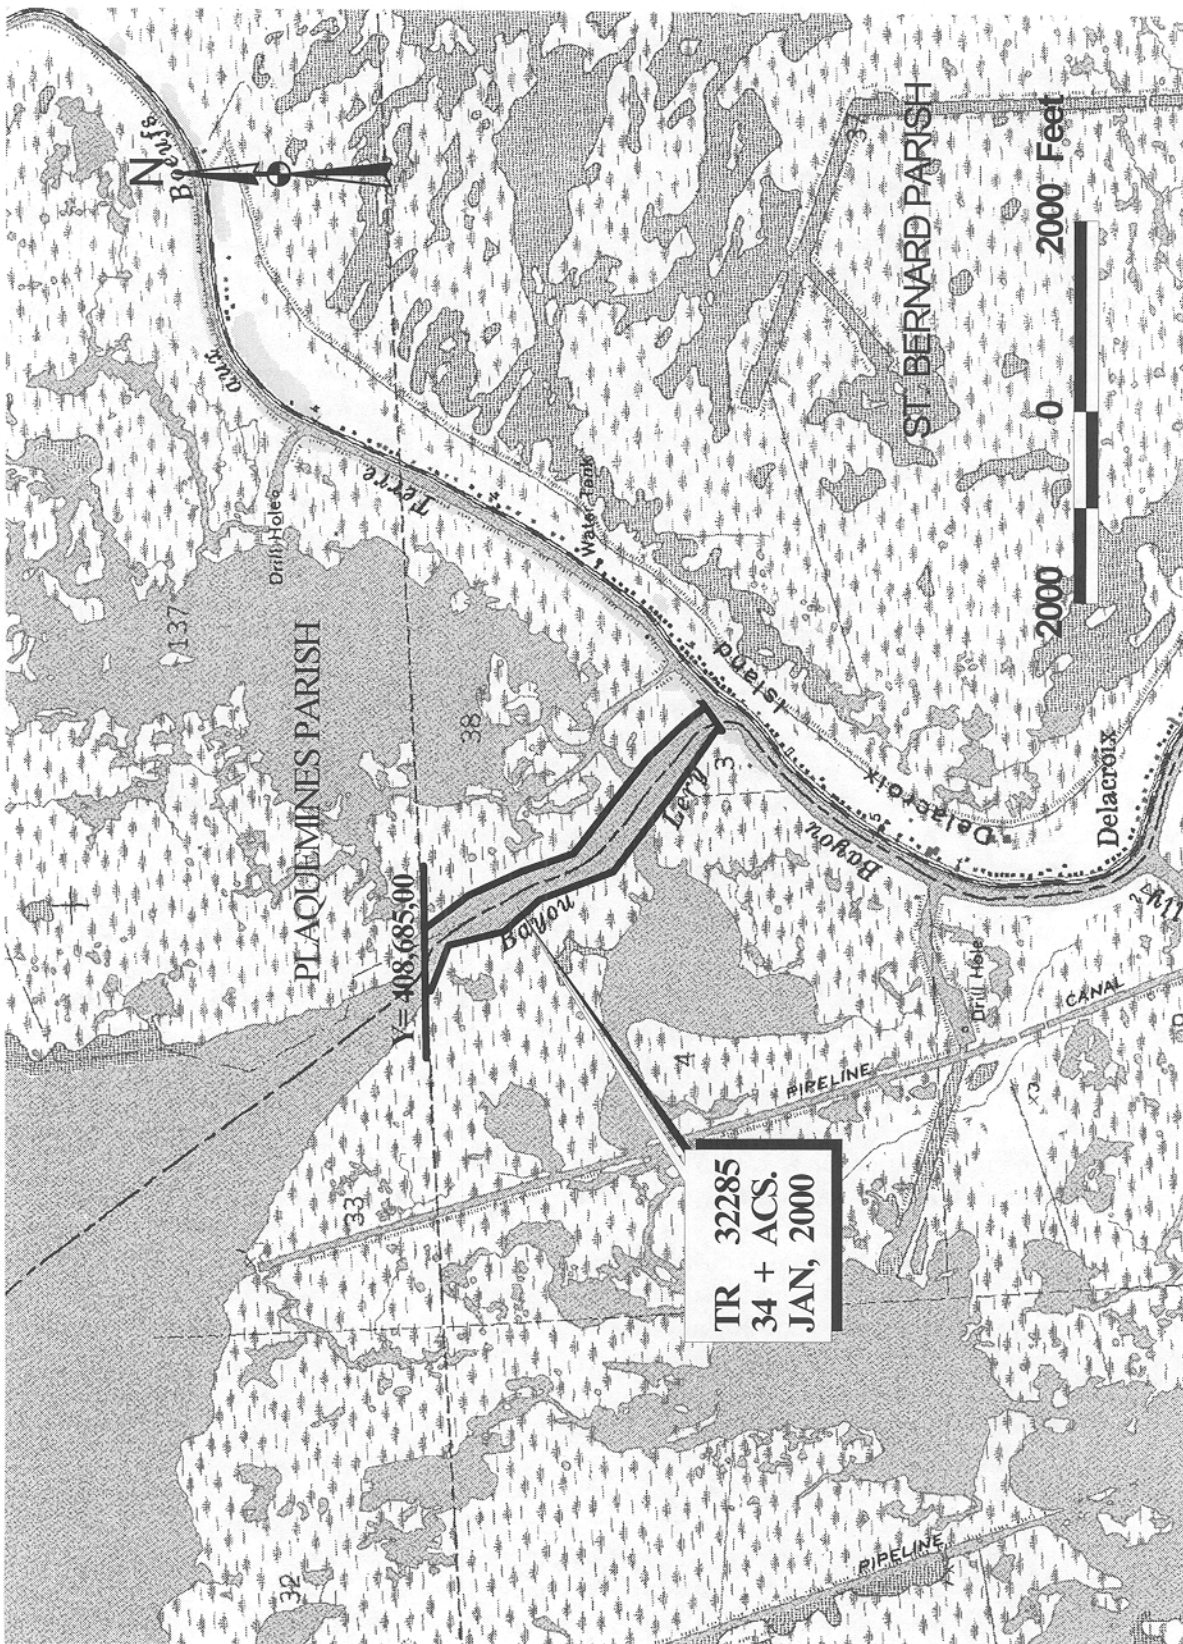

All of the lands now or formerly constituting the beds and bottoms of Bayou Lery and all islands and other lands formed by accretion or reliction, except tax lands, owned by and not under mineral lease from the State of Louisiana on January 12, 2000, situated in Plaquemines and St. Bernard Parishes, Louisiana, within the following described boundaries: All that portion of Bayou Lery bounded on the North or upstream by an East-West line having a Coordinate of Y = 408,685.00 and bounded on the South or downstream by the right descending bank of Bayou Terre Aux Boeufs, containing approximately 34 acres, as shown outlined in red on a plat on file in the Office of Mineral Resources, Department of Natural Resources. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927 (South Zone).

NOTE: The above tract is located in or near an oyster restricted area and all operations in such area must be conducted in strict conformity with the stipulations and/or regulations of the Louisiana Department of Wildlife and Fisheries.

NOTE: The State of Louisiana does hereby reserve, and this lease shall be subject to, the imprescriptible right of surface use in the nature of a servitude in favor of the Department of Natural Resources, including its Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns, shall not interfere with nor hinder the reasonable surface use by the Department of Natural Resources, its Offices or Commissions, as hereinabove reserved.
